P.O. Box 768
West Plains, Missouri 65775
(800) 793-0010
eatmonjamie@air-evac.com
www.lifeteam.net

Air Evac Lifeteam, operated by Air Evac EMS, Inc., is the largest independently owned and operated membership-supported air medical service in the United States, conducting its operations through more than 80 mutually-supporting air medical bases across 14 states. The company has established itself as the preeminent provider of air ambulance services to rural markets, serving over 1,700 diverse referral sources, including

over 1,000 hospitals and 700 EMS agencies, and attracting more than 740,000 members in support of its presence in their local communities.

Air Force Rescue Coordination Center

Booth 12

650 Florida Ave (Stop 73)
Tyndall AFB, FL 32403-5017
(850) 283-5955/ (800) 851-3051
<http://www.1af.acc.af.mil/units/afrcc/>

The Air Force Rescue Coordination Center operates the national search and rescue network ensuring timely and effective lifesaving operations. It is responsible for the execution of the National Search and Rescue Plan and mobilizes to support wartime combat search and rescue operations. The Center provides Air Force instruction to the National Search and Rescue School and federal, state, and local agencies. It acts as the proponent for worldwide rescue coordination operations and reports directly to the 1st Air Force, Air Combat Command.

Alzheimer's Association Safe Returns

Booth 21

225 N. Michigan Ave
17th Floor
Chicago, IL 60601-7633
(800) 272-3900
www.alz.org

Alzheimer's Association Safe ReturnTM is a nationwide identification, support and enrollment program working at the community level. Safe Return provides assistance whether a person becomes lost locally or far from home. Assistance is available 24 hours, every day, whenever a person is lost or found. Safe Return assists in the safe return of individuals with Alzheimer's or a related dementia who wander and become lost.

DeLorme
