

## EXHIBITORS 2005

### **ACR Electronics**

#### **Booth 77**

5757 Ravenswood Rd  
Fort Lauderdale, FL 33312-6645  
(800) 432-0227  
[jsantor@acrelectronics.com](mailto:jsantor@acrelectronics.com)  
[www.acrelectronics.com](http://www.acrelectronics.com)

World leader in Survival and Safety Technologies, signaling lights, PLBs, and hand held direction finders.

### **Air Force Rescue Coordination Center**

#### **Booth 53**

30 Elm Street  
Suite 116  
Langley, VA 23665-2789  
(757) 764-8118  
[www2.acc.af.mil/afrc](http://www2.acc.af.mil/afrc)

The Air Force Rescue Coordination Center operates the national search and rescue network ensuring timely and effective lifesaving operations. It is responsible for the execution of the National Search and Rescue Plan and mobilizes to support wartime combat search and rescue operations. The center provides Air Force instruction to the National Search and Rescue School and federal, state, and local agencies. It acts as the proponent for worldwide rescue coordination operations and reports directly to the Director of Operations, Air Force Special Operations Command

### **Alzheimer's Association**

#### **Booth 60**

225 N. Michigan Ave  
17<sup>th</sup> Floor  
Chicago, IL 60601-7633  
(800) 272-3900  
[www.alz.org](http://www.alz.org)

Alzheimer's Association Safe Return™ is a nationwide identification, support and enrollment program working at the community level. Safe Return provides assistance whether a person becomes lost locally or far from home. Assistance is available 24 hours, every day, whenever a person is lost or found. Safe Return assists in the safe return of individuals with Alzheimer's or a related dementia who wander and become lost.

### **Aqua Lung**

#### **Booth 120**

2340 Cousteau Court  
Vista, CA 92083  
(760) 597-5065  
[dstancil@aqualung.com](mailto:dstancil@aqualung.com)  
[www.aqualung.com](http://www.aqualung.com)

Aqua Lung America is the world's largest manufacturer of equipment for open and closed circuit diving operations. Aqua Lung also manufactures and distributes specialized equipment for surfaces, swimming operations, SAR, emergency underwater egress, and aviation life support.

### **Bonanza Products, Inc.**

#### **Booths 51 and 52**

3000-B Conestoga Drive  
Carson City, NV 89706  
(775) 882-8100  
[mcj@quointech.com](mailto:mcj@quointech.com)  
[www.bonanzaproducts.com](http://www.bonanzaproducts.com)

Bonanza Products, Inc., manufactures and markets the PowerQuick® Personal Lifting Device. PowerQuick is a powered, yet lightweight personal lifting device that scales vertical surfaces quickly, safely and inexpensively using standard climbing equipment. The PowerQuick® is unlike any product on the market, providing a much needed tool for the professional climbing industry.

### **Bound Tree Medial, LLC.**

#### **Booth 110**

231 Market Place #293  
San Ramon, CA 94583  
(925)275-2635  
[bhartley@boundtree.com](mailto:bhartley@boundtree.com)  
[www.boundtree.com](http://www.boundtree.com)

BoundTree Medical, LLC. Is the nation's largest wholesale distributor of EMS equipment and supplies. We specialize in producing a full line of concerra bags, infusion pumps and miscellaneous items currently used by ACC USAR Teams.

### **Center for Domestic Preparedness Homeland Security**

#### **Booth 26**

40 Twill Lane  
Anniston, AL 36205  
(256) 847-2300  
[DicksonR@cdpemail.dhs.gov](mailto:DicksonR@cdpemail.dhs.gov)  
<http://cdp.dhs.gov>

The CDP is charged with training emergency responders to deal with a terrorist attack involving WMD and incidents involving hazardous materials. The Center is the only federally chartered WMD training center that provides hands-on training in toxic agent environment to civilian responders.

**Civil Air Patrol – National Headquarters  
Booth 54**

105 S. Hansell Street  
Building # 714  
Maxwell AFB, AL 36112-6332  
(334)953-4228  
[idesmarais@cap.gov](mailto:idesmarais@cap.gov)  
[www.capnhq.gov](http://www.capnhq.gov)

Civil Air Patrol, the USAF Auxiliary, conducts emergency services, counterdrug, and homeland security missions throughout the US. Last year CAP flew over 96,000 Air Force Approved Mission hours, and was credited with saving 64 lives. Civil Air Patrol will provide an exhibit of its current and developing capabilities to support its missions for America.

**Cloudveil Mountain Works  
Booth 98**

P.O.Box 11810  
Jackson, WY 83002  
303-539-8912

[www.cloudveil.com](http://www.cloudveil.com)

Technical Mountain Apparel

**Complete Parachute Solutions, Inc.  
Booth 105**

1200 Flight Line Blvd  
Suite 2  
Deland, FL 32724  
(386) 736-3862  
[midef@cpsworld.com](mailto:midef@cpsworld.com)  
[www.cpsworld.com](http://www.cpsworld.com)

Complete Parachute Solutions (CPS) provides personnel and light cargo parachute equipment to search and rescue, military, and government related organizations. They also provide specialized training to support this equipment. The "Canine Jumping Program" is designed to bring a new level of capability to the SAR community by teaching jump-qualified personnel the ability to expediently deliver canine support to remote areas. CPS also

produces a specialized harness for parachuting, rappelling, fast-roping and cave ladder work.

**FoxFury Action Lighting Systems  
Booth 81**

2091 Elevado Hills Dr.  
Vista, CA 92084  
(760) 945-4231  
[fox@foxfury.com](mailto:fox@foxfury.com)  
[www.foxfury.com](http://www.foxfury.com)

FoxFury is revolutionizing Search and Rescue efforts worldwide. Our hands-free lighting system provide distant AND peripheral vision (up to 150 feet ahead and 60 feet wide). Built-in Autodim sensors reduce eye strain and save battery life. Systems are waterproof and have a full run time of 5-7 hours, accompanied by 60 hours of emergency lighting.

**EMS Technologies  
Booth 74**

1725 Woodward Drive  
Ottawa, ON CANADA K2C0P9  
(613) 727-1771 x2352  
[wilkes.l@emstechnologies.ca](mailto:wilkes.l@emstechnologies.ca)  
[www.ems-t.com](http://www.ems-t.com)

The emergency management products group of EMS Technologies Canada, Ltd., provides products and services to international and national Search and Rescue (SAR) organizations around the world. EMS provides a full range of SAR information management for real-time situational awareness and emergency response.

**Hi-Flow Graphics  
Booth 61**

[www.mcmpw.com](http://www.mcmpw.com)

PLB's and Discreet Electronics.

**National Search and Rescue Secretariat  
Booth 118**

275 Slater Street, 4<sup>th</sup> Floor  
Ottawa, ON, K1A 0K2, Canada  
(800) 727-9414  
[www.nss.gc.ca](http://www.nss.gc.ca)

As a center for SAR Coordination, Canada's National Search and Rescue Secretariat publishes an annual report on SAR in Canada, *SARSCENE* magazine online and an online directory of SAR organizations in Canada. The Secretariat coordinates the Canadian contribution to the COSPAS-SARSAT satellite system, maintains the Canadian beacon registry and invests over \$8 million annually in projects to improve Canada's SAR program. Over 600 delegates are expected at *SARSCENE* 2005 in Prince Edward Island in October.

**Ogura Hypower, Corp.  
Booth 93**

3119 Sunset Terrace  
San Mateo, CA 94403  
(650)-572-9230  
[info@OguraRescueTools.com](mailto:info@OguraRescueTools.com)  
[samsak@msn.com](mailto:samsak@msn.com)  
[www.OguraRescueTools.com](http://www.OguraRescueTools.com)

Rescue tools have real portability equipped with compact self-contained hydraulic pumps and batteries. Cut, shear and/or squeeze metal structures, without any outside power sources, being set up instantly.

**Pigeon Mountain Industries, Inc.  
Booths 24 and 25**

PO Box 803  
Lafayette, GA 30728  
(706) 764-1437  
[info@pmirope.com](mailto:info@pmirope.com)  
[www.pmirope.com](http://www.pmirope.com)

PMI manufactures high quality life safety rope and distributes high quality gear for use in rope access. We can help you get off the ground safely.

**PowerFlare Corporation  
Booth 78**

6489 Camden Ave  
Suite 108  
San Jose, CA 95120  
(408) 323-2371

PowerFlare Corporation exists to create and build superior products for public safety professionals and related applications. The PowerFlare<sup>®</sup> Electronic Beacon was invented with the objective of eliminating the fire hazard, difficulty in use, the toxic chemicals and needless cost of red flares. About the size of a hockey puck, non-toxic PowerFlares<sup>®</sup> offer visibility and safety, emitting a 360 degree light emitting diode array. PowerFlare<sup>®</sup> electronic beacons are visible from 3,000 ft away at night on the ground and 10 miles from the air. The purpose of the company's products is to help prevent accidents and to save lives

**Rescue 3 International/The Rescue Source  
Booth 101**

9075 Elk Grove Blvd., Suite 200  
Elk Grove, CA 95624  
(916) 685-3066  
[jenny@rescue3.com](mailto:jenny@rescue3.com)  
[www.rescue3.com](http://www.rescue3.com)  
[www.rescuesource.com](http://www.rescuesource.com)

Rescue 3 International and the Rescue Source provide the world's best water and equipment and training!

**Salamander Technologies, Inc.****Booth 119**

122 W. State Street  
Traverse City, MI 49684  
(877) 430-5171

[joseph@salamandertechnologies.com](mailto:joseph@salamandertechnologies.com)

[www.salamandertechnologies.com](http://www.salamandertechnologies.com)

Salamander Technologies, Inc., [www.salamandertechnologies.com](http://www.salamandertechnologies.com), is the leading supplier of both physical and electronic personnel accountability solutions for the rescue, fire, police, and medical and emergency management first response crews. The company specializes in ID tags, first due boards, accountability, and incident command. This is essential to helping emergency response organizations reliably and securely keep track of the who, what, when, where, and why during any emergency incident. The founders of Salamander Technologies, Inc, President Russ Miller and Vice President Mike Whelan are also known for their landmark work: *Resource Accountability Guide for First Responders*.

**Seimac Limited****Booth 69**

271 Brownlow Avenue  
Dartmouth, NS Canada, B3B-1W6  
(902) 468-3007

[info@seimac.com](mailto:info@seimac.com)

[www.seimac.com](http://www.seimac.com)

A member of the Chelton Group of Companies has been serving mission critical applications for over 25 years for global customers in the search and rescue, military, research, and oil and gas industries. The company designs, manufactures and markets a variety of products including Cospas-Sarsat Beacons, VHF radios and optical beacons, a range of miniaturized ARGOS satellite radio transmitters that are used in tracking objects and animals in marine and terrestrial applications, Spread Spectrum Radio Modems and GOES satellite transmitters. The company's operations are based in Halifax, Nova Scotia, with sales offices and warehouses in the United States. Seimac's display will feature our ProFIND brand of products including our SAR Direction Finder and our Survivor Locating Beacon. For more information on Seimac and our rugged, remote, reliable radio products please visit [www.seimac.com](http://www.seimac.com).

**True North****Booth 5**

P.O. Box 28789  
Seattle, WA 98118  
(206) 723-0735

[axlyx@truenorthgear.com](mailto:axlyx@truenorthgear.com)

[www.truenorthgear.com](http://www.truenorthgear.com)

True North packs have been the professional's choice for over 10 years due to their rugged construction, versatility and comfort. Our patented suspension traps the load against the body so they carry like they're part of you. True North packs are used and trusted by SAR teams, wildland firefighters, ski-patrollers, US Military personnel and others who have to depend on their equipment when their life and the lives of others may be on the line.

**Wilderness Medical Associates****Booth 86**

189 Dudley Pond  
Bryant Pond, ME 04219  
(207) 665-2707

[office@wildmed.com](mailto:office@wildmed.com)

[www.wildmed.com](http://www.wildmed.com)
